

FRYLANDS WOOD SCOUT OUTDOOR CENTRE

Tick List for Leaving Pembroke 2

I'm afraid that Frylands doesn't have a resident cleaner, and so, to keep the Pembrokes in a reasonable condition for the next group we ask that you complete the following on the last day of your visit and hand this sheet into the Centre Manager when you hand the keys back. The Centre Manager or Crew on duty will then check the building with you.

You will find mops, brooms, dustpans and brushes and some cleaning fluids in the cupboards next to the Pem front door (there is a key on the Pem bunch). We also now supply a "Henry Hoover" for your use. Please ensure the dust bag isn't full when using, we have plenty so please ask. If you need any more cleaning equipment please ask the Centre Manager or the Crew.

Bedrooms

- Sweep all bedrooms
- Mop all bedrooms

Outside

- Turn off gas cylinders (lift emergency lid to access bottles, you don't need a key)
- Do a litter sweep around the building.
